SPADARO freni per moto. La storia

La Spadaro freni nasce nel dopoguerra fondata da Antonino Spadaro producendo freni rigenerati per macchine movimento terra, macchine agricole e veicoli industriali in genere.

Alla fine degli anni 70 Giovanni Spadaro apre una nuova linea di freni per moto inizialmente composta da ganasce freno per ciclomotori, vespe e moto poi, grazie alla sempre maggiore presenza dei freni a disco, arricchitasi di una linea di pastiglie freno diventata completa nella gamma e nelle diverse mescole, una standard adatta a mototuristi, una studiata per turismo veloce e infine una per piloti professionisti.

Ogni linea si è dimostrata un successo sia commerciale che sportivo che ha portato il prodotto ad essere apprezzato sia dal mercato che da piloti del calibro di Romolo Balbi su honda 500 G.P. Alessio Corradi campione europeo classe 600 Supersport magistralmente preparata dal Team Five Racing di Roma Michele Malatesta pluricampione italiano classe 600 Supersport e tanti altri.

Grande soddisfazione ci ha regalato poi Luca Pasini, papà di Mattia quando in sella a una Yamaha 600 livrea Kenny Roberts preparata dal G.B. Team di Rimini vinse a Misano Adriatico una gara di mondiale Supersport ovviamente con freni Spadaro.

Tanto ci sarebbe ancora da dire sulla Spadaro freni per moto che può anche vantarsi di avere avuto fra i propri estimatori piloti del calibro di Stefano Caracchi, Roberto Teneggi, Oscar La Ferla, Fabio Barchitta e tanti altri, questo però rappresenta "la storia" della Spadaro freni per moto che oggi grazie al Gruppo Velorama di Bologna ritorna prepotentemente "in pista" per ottenere nuovi e importanti successi.

Giovanni Spadaro.

ALESSANDRO LIQUORI & GIOVANNI SPADARO
PATRON DEL GRUPPO VELORAMA DI BOLOGNA
